READY TO BE BLESSED & TRANSFORMED?

Discover what God can teach you through the extraordinary relationship between people, horses, and Him.

Our program provides biblically based equine assisted activities and experiential learning to teenagers and young adults for essential social and emotional life skills development while helping participants see God's relational truths – and even the very heart of Jesus – reflected in their equine partners and enabling navigation of their daily lives more confidently and effectively through sound wisdom, healthier relationships, and overall well-being.
